WORK EXPERIENCE

First Officer, B737 | SpiceJet Ltd.

Apr. 2025 - Present

Joined SpiceJet's Cadet Pilot Program (CPP) in September 2019. Thereafter, earned FAA CPL in 2020 and DGCA CPL in 2022. Inducted into SpiceJet in 2023, completed B737 type-rating in 2024, and released as a First Officer in April 2025.

Mentor | Computer Science Mentor Center

Sep. - Dec. 2018

Worked on campus at UTD as a peer mentor, assisting students with core CS subjects like Computer Architecture, Discrete Math, C/C++ & Java, Automata Theory, and Data Structures. Offered academic support through one-on-one sessions and group discussions, helping clarify concepts and strengthen problem-solving skills.

EDUCATION

BS. Computer Science

Aug. 2017 - May 2019

Collin College & The University of Texas at Dallas

Graduated Cum Laude (*Latin honors*) with a GPA of 3.66/4. Recognized for academic excellence through multiple Dean's and President's List honors and selected for UTD's Fast Track Program to take Master's-level courses as an undergrad. Recipient of Global Leaders of Promise Scholarship (\$1,000). Actively engaged in community service, leadership development, and academic events including Leadership Camps, Habitat for Humanity, Sexual Assault Awareness, Hackathons, and Engineering Week among others.
